

# "International Date Line Change: The Sabbath Unchanged?" Video Release

---

Beloved of Yahuwah,

World's Last Chance has just released a new video entitled, "[International Date Line Change: The Sabbath Unchanged?](#)"

## The International Date Line:

- Is a fairly recent man-made invention
- Is completely arbitrary
- Can be and has been moved at will
- Disproves the continuous weekly cycle
- Requires a one-day adjustment to reconcile East and West.

**In this video:**

***The "Continuous Weekly Cycle" is proven FALSE!***

May Yahuwah continue to cover you with HIS Grace, Guidance, Mercy, Protection, and LOVE

In His Service and Care,

The WLC Team
