

Life After Death: Watch The Video

[World's Last Chance](#) released a video, available at You-Tube and Google Video, unravelling the mystery behind death. The 7-minute video answers, What is the essence of life, which when removed, causes death? When does life after death begin?

In simple language, using Bible verses, it explains the enigmatic connection between the soul and the body to clarify exactly what it takes for a human to become a living soul.

The video also states what Jesus said on the nature of death exposing one of the most misused verses in the Bible and why this verse is so commonly misunderstood.

You may be deeply involved with life after death and contacting the dead to find out more about the future. The idea that dead loved ones are in heaven and we can talk to them is indeed comforting. But we need to realize that the Bible teaches that all the dead are now asleep. The belief that the dead are now in heaven or hell opens the door for the equivalent of modern-day spiritualism.

We want to share this truth because Bible prophecy indicates that one of the greatest weapons Satan will use to deceive the world is through the belief that the dead can speak to us. This satanic movement is on the rise with many believing that they have been in contact with souls 'from heaven.'

Bible prophecy has warned that fearful demonstrations of supernatural characters will soon take place. And that these spirits will urge leaders all over the world to unite with the Devil's last struggle against God in enforcing a global Sunday Law contrary to the Lord's holy Sabbath day. By these spiritual agencies, all who trust in what they see, regardless of what the word of God teaches, will be deceived.

Only those who have been faithful students of the Scriptures and who have received the love of the truth will be shielded from the powerful delusion that will soon take the world captive. By the word of God these Bible students will detect the deceiver in his disguise.

World's Last Chance exposes how the Bible teaches that all the dead are still sleeping in their graves and are completely unconscious thus cannot communicate with the living and will not be awakened until the Second Coming of Christ.
