

Obama could be the key player in enforcing Sunday Law globally

[Revelation 13](#) tells us that it is the image to the beast (USA) which will compel the whole world to honor Sunday, the false Sabbath. Revelation 17, however, informs us that we are living in the reign of the Seventh King, Pope Benedict XVI (the last human pope). And that the [Eighth](#) will be one of Satan's devils impersonating John Paul II. Furthermore, [Revelation 17](#) tells us that the reign of the Seventh King will be short. Already, 4 plus years have elapsed. So we are approaching the end of Benedict's papacy. We have not been told in Revelation 17 how short Benedict's reign will be. But when we examine the duration of the reigns of the other 6 kings, we think that the reign of Benedict XVI could be 5 plus years; or at the most between 5-10 years; but more likely closer to 5 years than to 10 years. **This means that President Obama is likely to be the USA president who will be working with the Eighth in bringing [the universal Sunday Law](#).**

We see in the global popularity of President Obama another providential confirmation of our understanding of Revelation 17. Certainly, a USA president

with the low popularity globally of the former one could not have been in a position to play the vital role needed to bring about a universal Sunday Law. We also see in the [unpopularity of Benedict](#) a necessary element for the dramatic fulfillment of Revelation 17. **Many in the world today miss the hugely popular John Paul II.** And to a large degree, John Paul II is missed to the extent that the current pope has been unpopular and unable to fill the shoes left by the former pope.

We share this perspective with our subscribers, members, and visitors to stress the shortness of time. His people no longer have the luxury of waiting to see the fulfillment of end-time events to begin making the necessary character preparation and changes. Now is the time to get ready, for prophecies are being fulfilled before our very eyes. Now is the time to invite Christ to reign over our hearts, and to cleanse from every sin and character defect.
