

The Smoke Screen Unmasked on National Sunday Law

[World's Last Chance](#) has a Bible study on prophecy that unmask the smoke screen on the National Sunday Law movement. This Bible study reveals how leading churches in the have an on-going campaign to bring religion into the civil government through a National Sunday Law. According to the group, this undertaking is a Trojan horse which will lead to the transgression of God's law that stipulates Saturday as the day of worship.

On our website we explain how the Bible teaches that the Sabbath is the foundation of true worship to God and how the Roman Catholic Church substituted Sunday for Saturday in the fourth century. Roman Catholics acknowledge that the change of the Sabbath was made by their church. They also declare that Sunday-keeping Protestant churches are in reality following the Catholic Church in lieu of the Bible by accepting this unbiblical change.

In the 'Catholic Catechism of Christian Religion', in answer to a question as to the day to be observed in obedience to the fourth commandment, this statement was made: "During the old law, Saturday was the day sanctified; but the church, instructed by Jesus Christ, and directed by the Spirit of God, has substituted Sunday for Saturday; so now we sanctify the first, not the seventh day. Sunday means, and now is, the day of the Lord."

Bible prophecy explains that when leading churches of the United States unite to influence the state to enforce National Sunday Law, Protestant America will then have formed an image of the Roman Catholic Church, known as the 'image of the beast' in prophecy. All who submit to this law will receive the 'mark of the beast.'

The ongoing campaign by leading churches of the to enact a National Sunday Law goes against the Word of God. God's word has warned us through Bible prophecy that church and state will unite to compel all to honor Sunday instead of God's holy Sabbath, Saturday. Thus Christians will be divided into two classes: those who keep the commandments of God and the faith of Jesus, and those who will keep the Sunday law, contrary to God's word. The eternal destiny of each person will be determined with this final God-given test for mankind.
